

## Summer School of Truth – Baton Rouge Consecration Agreement

The Truth School is a time of enjoying the riches of Christ in an atmosphere of pleasant labor in the Lord. We know that to gain the most from the Truth School there must be much prayer, the release of our Lord's Word, the exercise of the spirit, and the firm restriction of the flesh. We expect, therefore, that each young person would spend some time to discuss the seriousness of the Summer School of Truth WITH HIS OR HER PARENTS and present himself or herself to the Lord for the summer school. **One should not come to the summer school without a serious commitment.** This would not be profitable for you or for others. Parents who are involved in the summer school should consecrate this time in a serious way to the Lord. We hope every worker and every home would be in one accord for the spirit and goal of the summer school. Parents and Young People involved in the summer school must sign the Truth School Consecration Agreement.
